NOT TV Only

PLATINUM

Analogue PCI

Watch analogue TV on your PC!

The NOT ONLY TV Platinum is a full PCI TV card that provides PC-Tv and video capture functionality. Built with a silicon tuner, it supports worldwide TV standards and worldwide sound standards. This makes it possible for users anywhere in the world to enjoy high resolution TV.

The NOT ONLY TV Platinum also comes equipped with S-Video and composite video inputs, so you can connect external video sources such as a VCR or camcorder.

With features including multi-channel preview up to 25 channels at one time, scheduled recording, time-shifting functions and still image snapshots, the NOT ONLY TV Platinum is the ideal TV solution for your PC!

CERTIFIED FOR Windows Vista™

Designed for Microsoft® Windows® XP
